

# Teachware Price Comparison

## Microsoft Non Profit vs. Commercial

---

We recognize that non-profit organizations must accomplish more with less. That's why we are proud to provide Microsoft solutions that can help non-profits maximize their limited time, money and manpower. Whether your organization needs to deliver services, spread a message, or raise funds, Microsoft has software that can help. Save up to 80% off commercial prices.

**Microsoft Office Professional Plus 2010** combines everything you need to create, edit, and share documents from virtually anywhere. You get top-of-the-line tools to run your business and projects efficiently. Version 2010 includes: Word, Excel, PowerPoint, Access, One Note, Publisher and Outlook  
**Commercial Price = \$499.00    Non Profit License = \$80.00**

**Save \$419**

**Microsoft Server 2008 R2** Windows Server 2008 R2 delivers valuable new functionality and powerful improvements to the core Windows Server operating system to help organizations of all sizes increase control, availability, and flexibility for their changing business needs. New Web tools, virtualization technologies, scalability enhancements, and management utilities help save time, reduce costs, and provide a solid foundation for your information technology (IT) infrastructure.  
**Commercial Price = \$999.00    Non Profit License = \$115.00**

**Save \$884**

These are a sample of the savings available to non-profit organizations. As a Non Profit Reseller, we are happy to answer questions about this program.
